- Exciting, popular events, admired by many in the sector - held at major housing conferences
- Special personal development events that focus on you and your progression
- Discounted rates for posting to our WISH Jobs Board

- The true ability for you to foster new business relationships and opportunities
- The unwavering support of your regional Board and members local to you
- Being part of a Community - WISH Community Interest Company (CIC) and our pledge to; address the gender pay gap, support gender equality, retain women in the industry, encourage new talent and breakdown barriers and cultural norms within the sector
- Keeping you in the loop with all the latest industry news, trends, hot topics and ideas
- Giving you a helping hand and boost your self confidence

Not only that but our aim is for you to leave our events feeling inspired and energised. No one said that networking has to mean boring! So, whilst we offer learning and huge value for you to harness, we do so in a fun and lively way.

There's more than one way for you to be a part of WISH...

Secondly, sharing is caring with our: **WISH Corporate Membership**

Why not stand out? You can bring your organisation into our community as a Corporate Member and receive a discount on fees which offers excellent value for money. Corporate membership is linked to one specific ('home') region.

(Shhh... don't tell anyone but it works out at a greater discount than if four colleagues joined as separate individuals.)

With Our WISH Corporate Membership not only do you receive great value but you also get:

Up to X4 members that can attend each event, with a minimum of 4 regional meetings per year and you can come along to our outstanding, lively and fun national events too.

We like choice and so as well as your 'home' region you can also join up to one other region for a great discount so four (different or the same) of your colleagues can enjoy events in that second region too.

Discounted rates for posting to the WISH Jobs Board.

Thirdly, it's the cat that's got the cream with our: **WISH Corporate Plus Membership**

Your WISH is our command. Add a little bit more to your membership with Corporate Plus. This premium membership is perfect for larger organisations and means your members can attend events across all our 10 regions.

This membership with a difference means you can enrol up to eight members from your organisation to attend events at your local 'home' region and any of our national events.

With Corporate Plus the benefits don't stop there;

- It's all about you and so up to two members can also attend ANY of our exciting WISH regional events across the UK

- You get full access to and use of our WISH Corporate Plus Logo
- Let's highlight you: your Corporate Plus logo gets displayed on your local WISH regional webpage
- Find your perfect match with unlimited job postings: which are placed for FREE on our WISH jobs board

Let's be the collective voice to influence change, where everyone has an opportunity to succeed.

Our drive is a passion that needs your support. Let's pick up the mic and address the housing sector, together, as a community, to create true equality for all!
