THE NETWORK FOR WOMEN  
WORKING IN SOCIAL HOUSING

## What do you WISH for?

### Your Membership Benefits and Options

WISH is a fun networking community offering encouragement and support for every woman just like you. Championing positive outcomes for all through our events, initiatives and activities, regardless of your role or experience within the housing sector.

The great thing about our power network is that we offer you the opportunity to join as an individual but also through your company too. Choosing from any one of our nine regions as your 'home' region, we've got you covered.

Being a part of our unique WISH community with a difference offers you a whole host of benefits to embrace and enjoy such as:

- Access to at least four networking events per year and the chance to listen to inspirational speakers and hopefully learn something new!
- Exciting, popular events, admired by many in the sector - held at major housing conferences
- Special personal development events that focus on you and your progression
- Discounted rates for posting to our WISH Jobs Board

- The true ability for you to foster new business relationships and opportunities
- The unwavering support of your regional Board and members local to you
- Being part of a Community - WISH Community Interest Company (CIC) and our pledge to; address the gender pay gap, support gender equality, retain women in the industry, encourage new talent and breakdown barriers and cultural norms within the sector
- Keeping you in the loop with all the latest industry news, trends, hot topics and ideas
- Giving you a helping hand and boosting your self confidence
- Sharing your knowledge, perceptions and good practice with other understanding members

Not only that but our aim is for you to leave our events feeling inspired and energised. No one said that networking has to mean boring! So, whilst we offer learning and huge value for you to harness, we do so in a fun and lively way.

**There's more than one way for you to be a part of WISH...**

### Your WISH Membership Options

#### Firstly, standing strong is our: **Individual Membership**

This membership is a big plus in our book and is great for freelance consultants or if you are the only woman in your organisation. You join as one but are welcomed into our community with a difference - along with nearly 700 current members. You get to choose membership in one of our nine vibrant regions, giving you access to at least four events a

year plus the huge events that coincide with existing national conferences. And if you work in more than one region and want to network in them all, we offer the Individual (multi-region) membership too.

**We believe there is strength in the individual but greater power in the collective....**

### Secondly, sharing is caring with our: **WISH Corporate Membership**

Why not bring your organisation into our community with a Corporate membership? It offers great value for money as it's cheaper than four individuals from the same organisation joining separately. Up to four members can attend each event, with a minimum of four regional events per year plus our lively and fun national events too.

The Corporate membership is linked to a main 'home' region although there is flexibility for those working in different parts of the country. We love to offer choice so if your organisation works across two regions, you could split the four employees across those two regions (for a small admin fee). We call this our Corporate Split membership.

To give you even greater choice, we also have a Corporate Multi-Region membership. You can have

four members' places in an unlimited number of regions - great for people who work across a wide area or even nationally. You choose which regions you want to join. To give an example, you could have four Corporate members in the SE region and a different four in London. You would pay for the two separate Corporate membership fees but would receive a discount.

With any of the Corporate memberships above, the four people linked to your account don't have to stay the same and can be changed as often as you like. This way, the right people can attend the best events for them.

With the Corporate membership, you also receive a discount when placing job adverts on the WISH Jobs Board.

### Thirdly, it's the cat that's got the cream with our: **WISH Corporate Plus Membership**

Your WISH is our command. Add a little bit more to your membership with Corporate Plus. This premium membership is perfect for larger organisations and means your members can attend events across all of our regions.

This membership with a difference lets you register up to eight people to attend events in your 'home' region and at any of our national events. But the benefits don't stop there:

- A further two members can attend our exciting

events in ANY of our other regions across the UK.

- You get full access to and use of the WISH Corporate Plus logo.
- And to highlight you, your corporate logo will be displayed on your 'home' region's page on the WISH website.
- Find your perfect match with unlimited, free job adverts placed on the WISH Jobs Board. This means not only adverts on our website but also on our social media platforms - Facebook, Twitter and LinkedIn, including reminders.

### Need help making your membership choice today?

That's ok, we're on hand to help you. You can give us a call on **07568 080959** or email us at **admin@wishgb.co.uk** and find our webpage at **wishgb.co.uk** We're also very social. You can find us on **Twitter**

**@wish\_gb** WISH Facebook and **LinkedIn Women In Social Housing Group**. WISH is a fun networking community offering encouragement and engagement for every woman, just like you.

Let's be the collective voice to influence change, where everyone has an opportunity to succeed.

Our drive is a passion that needs your support. Let's pick up the mic and address the housing sector, together, as a community, to create true equality for all!
